Korean cuisine is based on rice, vegetables, and meat. Traditional meals have many side dishes (banchan) that include kimchi. Ingredients and dishes vary by province. Commonly used ingredients include sesame oil, doenjang (fermented bean paste), soy sauce, salt, garlic, ginger, pepper flakes, and gochujang (fermented red chili paste). Many regional specialties have become national dishes and have been tweaked throughout the country.

Day 3 March 20**

Incheon – Jeju →

(B, L, D)

We start our tour by visiting Freedom Park, named on October 3, 1957 when a statue of General McArthur, who led the Incheon Amphibious Landing Operation during the Korean War, was erected here. The park offers spectacular views of downtown Incheon and its surrounding mountains, port, and sea. Then, we will visit Fairy Tale Village near Chinatown, a renovation project to improve development of the village by painting and decorating classic fairy tales all around. Today's lunch is Jajang-myun (black bean noodle), one of the most popular noodle dishes in Korea. These noodles are found in every Chinese restaurant and is the most common take out meal in Korea. Afterwards, we will fly to Jeju Island, also known as "Island of Gods". The volcanic island has scenic natural beauty, unique cultural traditions and a temperate climate. Upon our arrival, we will enjoy a Geobu Korean Royal Set Meal at a local restaurant.

Day 4 March 21**

Jeju

(B, L, D)

After breakfast, we will enjoy a full-day City Tour starting with the Jeju Glass Castle, a glass art theme park featuring an exhibition hall, garden and models all made entirely out of glass. There are six themed model parks, in which over two hundred and fifty models are exhibited. These include the world's very first all-glass labyrinth, the world's largest glass ball and largest glass diamond, a glass stonewall, a mirror lake, and a glass bridge. Our journey continues on to the Mysterious Road, also known as Dokkaebi Road. Like the name implies, it is mysterious. What we will experience here is that the road seems to be uphill from the starting point of Mysterious Road. However, when we turn the engine off, our vehicle will start to roll uphill! Then we will visit the Spirited Garden and Bonsai Garden that has a variety of fresh vegetables. We will have a delicious Green Healthy Food Buffet for lunch. After lunch, we will enjoy the Women Diver Show at Seongsan Sunrising Hill. Women divers are females who dive deep into the ocean to gather various shellfish and seaweed without using any underwater diving equipment. Since Jeju is famous for Black Hair Pig, we will have BBQ pork for dinner tonight.

Day 5 March 22**

Jeju - Busan →

(B, L, D)

After breakfast, we will fly to Busan, the second largest city in Korea. Upon arrival, we will visit Yongdusan Dragon Head Park. It is called Yongdusan because the shape of the mountain resembles a dragon's head emerging from the sea. Then we will go to Busan Tower, which is 129 meters high and gives you a stunning bird's-eye view of the entire city of Busan including islands and ships dotting the distant seas. We will also visit the Jagalchi Fish Market, the largest fish market in South Korea. It is very popular with tourists and locals and is one of the "must go" places in Busan. After enjoying our time at the Market, a local Grilled Seafood Buffet is arranged for lunch. After lunch, we will visit Haedong Yonggungsa Temple, on the coast of the north-eastern portion of Busan, which offers visitors the rare opportunity to see a temple along the shoreline. Then, we will pass by Haeundae Beach, a famous beach in the country that is much longer than Waikiki. GiJang Eel BBQ Set Meal is arranged for tonight's dinner

Hotel Accommodation: Novotel Ambassador Busan or similar 5 Hotel*

Day 6 March 23****Busan - Jeonju****(B, L, D)**

Today, we will transfer to Jeonju, the landmark of Korean traditional culture. Since Jeonju is the birth place of Bibimbap, we will enjoy authentic Bibimbap for Lunch when we arrive there. After the delicious lunch, we will tour Hanok Village, the largest Korean Village in the downtown area that features various traditional cultural facilities. There are many Museums showcasing wine and paper where we learn by participating and utilizing all our senses through looking, touching, smelling, listening and tasting. Let's attend a Korean Fan Making Workshop and join a Korean Traditional Wedding Ceremony where we can try on Korean Traditional Costumes. We will visit Gyeonggijeon Pavilion that enshrines the portrait (eojin) of King Taejo of Joseon. Eojin Taejo of Joseon was designated a national treasure in 2012. Enjoy Traditional Korean Hanjeongsik Dinner for tonight.

Hotel Accommodation: Ramada Jeonju Hotel or Local Best

Day 7 March 24****Jeonju – Seoul →****(B, L, D)**

Before we transfer back to Seoul, we will visit Korean Folk Village in Yongin City. We can see how people lived in the Joseon era. Thanks to replicas of a farmhouse, commoner's house, government office, school, market place and noble's house (Yangban), the village is a good place to begin seeing the history of Korea. We will transfer to Jeonju, the landmark of Korean traditional culture. Lunch will feature Korean Ginseng Chicken Soup. After lunch, we will transfer to Dae Jang Geum Theme Park, the former MBC "Dramia" and Korea's first drama theme park. In this realistic, semi-permanent center, a variety of famous dramas have been produced. The center is completely built according to different dynasties and constructed as a functioning village for filming dramas. We may be lucky and run into some actors and actresses. What is for dinner??? Let's enjoy the Tent Bar or Cart Bar (Pojangmacha). We will find food like fritters, fishcake, soju, makegeoli and other delicious local foods. Choose any of the local delicacies that best suit your tastes. Go in a tent and enjoy the moment. Then we will go back to our hotel.

Hotel Accommodation: Loisir Myeongdong Hotel or similar 5 Hotel*

Day 8 March 25****Seoul****(B, L, D)**

Today's highlight is Jjimjil Bang at Dragon's Hill Spa. What is this? It is the best place for activities such as hot springs, spa, sauna, food, arcade, massage and many more leisure activities. This is what we have seen in the K-Drama.....like cracking a hard-boiled egg on your head. We can enter various heated rooms each with a particular theme. These are great places to sweat and relax. Let's have fun and enjoy it to the fullest followed by Baked Chicken lunch. Then, enjoy shopping. We will proceed to Insadong Cultural Street, one of the most memorable attractions in Seoul. This is a good place to buy souvenirs and Korean items. There is a friendly atmosphere with a variety of shops selling trinkets to specialty shops selling tea, art, antiques, and pottery. Afterwards we will head to our next shopping spot, Namdaemun Local Market, the largest and oldest wholesale market in Korea. This is known as the best place to shop for clothes, shoes, jewelry, shirts, etc. Everything at Namdaemun is affordable and a great place for the shopaholic. After enjoyable shopping, we will have a Farewell Dinner before returning to our hotel.

Day 9 March 26****Seoul – Incheon – Honolulu →****(B)**

After breakfast, we will relax and spend some time doing last minute shopping at Myeongdong. It is a huge pedestrian marketplace with lots of shopping in the heart of Seoul. In the evening, we will transfer to the airport for your return flight home ending your fantastic journey in Korea.
