It has the tallest theme Castle – Enchanted Storybook Castle, the first garden-designed zone, and the first pirate-themed garden. It also combines movie figures with Chinese culture, like the Chinese Zodiac Murals in the Gardens of Imagination. Visitors can also enjoy classical musicals and stage plays, like Tarzan: Call of the Jungle, Frozen: A Sing-along Celebration, and the Lion King. Mickey's Storybook Express cruises through the six parks during the day. After an enjoyable hearty hotel breakfast this morning, we will head to Hangzhou, the capital of Zhejiang province and one of the most renowned and prosperous cities in China because of its beautiful natural scenery. The city’s West Lake is its best-known attraction. With hills surrounding three sides of the lake, the lake has inspired famous poets, scholars and artists since the 9th century. It is composed of numerous temples, pagodas, pavilions, gardens and ornamental trees, as well as causeways and artificial islands. It became a UNESCO World Heritage Site in 2011. A Boat Ride is arranged for us to enjoy the beauty of the lake, followed by a visit to a Green Tea Plantation Village. Here we will enjoy a cup of Dragon Well Tea, well known worldwide for its sweet and delicate flavor. The green tea produced here has had a stellar reputation since the Ming Dynasty. The Park offers a wide range of educational activities, allowing visitors to learn about wetlands in a vivid way, and appreciate
the beauty of different wetland wildlife. Then, we will depart for Nanjing, the second-largest commercial center in the East China region after Shanghai. Its current name means "Southern Capital" and Nanjing has had a prominent place in Chinese history and culture, having served as the capital for various Chinese dynasties, kingdoms, and republican governments from the 3rd century AD to 1949. Upon arrival, we will visit the place where Dr. Sun Yat Sen, the National Father of China, was laid to rest at Sun Yat Sen Mausoleum, classified as an AAAAA scenic area by the China National Tourism Administration. It is a must see place when touring Nanjing. Another famous ancient relic in the city is the Confucian Temple, first built in 1034 during the Song Dynasty and used as a site to offer sacrifices to Confucius.
